"Go confidently in the direction of your dreams. Live the life you have imagined." Henry David Thoreau

The exhibition, **20 Years, 20 Artists**, is an important milestone celebration for the Ralls Collection and me personally. I was fortunate to believe in my dreams and empowered to imagine embracing the world of art; through it educating, inspiring, and beautifying the world.

In 1991, The Ralls Collection opened its doors in Georgetown. My personal journey with art began five years prior after meeting Robert Rauschenberg, one of America's most prominent innovative artists. Bob became my mentor and friend. Not only did I have the privilege of representing Rauschenberg for many years, but treasure fond memories of celebrating the first decade of the Ralls Collection with a Rauschenberg one-man show, with Bob in attendance.

As we look ahead in 2011, I am excited to focus on the projects that fuel my passion for the arts, entrepreneurship, education and a life committed to community.

You're invited!

Please join me to celebrate this special moment at the Ralls Collection.
